

# Themed "T" Swing

Constructed with a 12 in O.D. steel center support post that is coated with GFRG (glass fiber reinforced concrete). The concrete can be textured and colored to any theme. Such as trees, cacti, or even flower stems, to match indigenous species. Top rail is 3.5 inch O.D. pipe e-coated to accommodate standard swing hangers. Optional 3D animal sculptures can be included in the theming.
